Monday, 07 September 2026

Dear Parents/Carers

We are pleased advise you that on Thursday, 10th September 2026, Year 7 students will be taking part in a Team Building Day in school, delivered by WiseUp Team Building.

The day will consist of a range of fun, practical team-building and problem-solving challenges, designed to encourage students to work together, communicate effectively and continue developing positive relationships with their new classmates.

The school day will run as normal, including the usual start and finish times, as well as normal break and lunchtime arrangements.

The only change will be that all students should come to school wearing their PE kit for the day.

As some activities will take place outdoors, students should also come prepared for any adverse weather conditions.

You can find out a little more about the type of activities students will be completing here: [The Hub Challenge – Team Building & Problem Solving with WiseUp](#)

We are looking forward to what should be an enjoyable and valuable day for all of Year 7.

Kind Regards

Guy Kirkby
Head of Year 7
